Happy summer to everyone in the City of Scanlon!!

Want to get involved? We have one seat open on the City Council to fill a vacant seat until the current term through 2024 is up. If you are interested in serving on the City Council you will need to send a letter of intent to City of Scanlon, 2801 Dewey Ave, Scanlon MN 55720. You would also need to be present at the August 11, 2021 City Council meeting where a vote will be placed and a choice will be made.

Just a friendly reminder that all construction on your property (inside and outside your home) requires a building permit. Please contact City of Cloquet at 218-879-2507 or go online at

<https://www.cloquetmn.gov/our-city/permits-licenses/commercial-residential-public-works-utility-zoning> for more information.

With the lack of rain being received and residents doing extra watering this is a reminder that all water usage is charged water rates AND sewer rates. Also due to the current dry conditions please take extra precautions and make sure there is not a fire ban in place before having any backyard fires.

It's been so nice seeing all the four-legged pets out and about lately but this is your reminder that the city does have a leash law and all dogs and cats need to be on a leash as well as being picked up after, if you fail to pick up after your pet and it is reported you may face up to a \$25 fine per our city Ordinance.

And last but not least for the safety of all Scanlon residents please do NOT blow your grass clippings in the road as it does cause issues with our city sewer system as well it being a potential safety hazard to passing cyclists and motorcyclists.

Stay Safe Scanlon City Council
